## 2022 READING CHALLENGE

### What is the challenge?

The 2022 Reading Challenge is an annual challenge made up of 24 unique prompts. Match one book to each prompt for a total of 24 books throughout the year. The goal is to try new authors or genres, push ourselves to read more, read differently, and most importantly... to have fun!

### How does it work?

Follow Charlotte County Libraries and History on social media if you would like periodic updates on the 2022 Reading Challenge and more. You can find us on Facebook and YouTube.

Use the list to match one book to each of the 24 prompts. (24 books total.) Get as creative as you like with interpreting the prompts!

When January 1, 2022 rolls around, start reading!

Once you've finished one of the prompts, check it off the list and make note of which title you read. Once the list is complete, bring it in to any Charlotte County Library branch at any time in 2022. Everyone who completes the challenge will receive a prize, while supplies last!

Other helpful reminders: You can complete the list in any order. You can also interpret the prompts as creatively as you like, using any format of reading, and any author or genre that you feel fits the prompt. This challenge is for ages 13+.
